

Madison Beer

<https://silosolo.com/688025>

Summary

Madison Beer was a guest on the Call her Daddy podcast and discussed various topics including her rise to fame, the negative aspects of being discussed on the internet, the effects of her parents' divorce, her relationship with her father, and a traumatic experience of having a nude video leaked. She talked about how being constantly discussed on the internet can dehumanize people and how her parents' divorce affected her, particularly in terms of protecting her younger brother and developing abandonment issues. Madison also shared her experiences of seeing her father date new women and how it impacted her. She discussed her songwriting process and mentioned that she has written songs about her relationship with her father. Additionally, she opened up about the traumatic experience of having a nude video leaked when she was 15 years old and the lasting impact it had on her.
