

John Legend

<https://silosolo.com/383154>

Summary

John Legend recently became a new dad for the third time. The household has changed with more love, joy, and energy. The older kids have been good with the new baby. John Legend had a non-traditional schooling experience and developed a passion for music. He worked as a management consultant while trying to get a record deal. Music is his thing, inspired by church and performing at a young age. His upbringing was different from his kids, who have more privileges. He wants his kids to appreciate what they have and be good human beings. He attended Penn and was part of the music scene in Philadelphia.
