Summary

The speaker started pursuing music at a young age and found motivation in their love for music and feeling excluded from social life. They advise their younger self to live a little and not be solely focused on work. The internet played a significant role in connecting the speaker with like-minded individuals. They embrace their gender journey and see it as a unique perspective in songwriting. The speaker believes that gender and labels are not defining factors of a person and wants to focus on their art and music rather than being solely defined by their gender or other labels.
